City of Clyde 2022 Annual Drinking Water Report

About

The City of Clyde is responsible for Sanitation needs.

Depending on where you live, your garbage may be picked up on Monday, Tuesday, or Friday. Your polycart must be placed outside by 6:00 am on your specified day. The City will not pick up garbage that is not in the cart.

The City of Clyde now has a Convenience Center located at 101 Stephens Street for the Citizens of Clyde. We have two 40 yd roll-off containers available at the center. Also, there is a recycle trailer available for paper, aluminum, and plastics. Citizens must show their trash bill and valid ID to be allowed to dump in the center.

The convenience center will not accept tires, batteries, household garbage, or hazardous waste.

If you have any questions concerning the Convenience Center, please contact Jerry Perkins.
