

# Clyde Lake

## Directions and Information

Drive five miles south of Clyde on FM 604, turn left on FM 3217, and then about four miles more, and you will find yourself at Clyde Lake.

Clyde Lake offers tent and RV camping, with full hook ups and a dumping station available.

Other features include marked nature trails, picnic tables with barbecue grills and a remodeled restroom for your use. There is also a pavilion (available to rent for special functions), a sand volleyball court, playground, and horseshoe pits.

Clyde Lake is an excellent fishing lake and is also big enough for recreational boating. Swimming is permitted at your own risk.
