

New Trash Service Announced

News Release Date

05-01-2023

Effective May 1st, the City of Clyde will begin trash service. During the week of April 24th, the City of Clyde will follow behind Republic Services as they pick up trash and drop new poly carts for residential customers and dumpsters for commercial customers. If you have 2 poly carts from Republic, please put both out the week of April 24th so they can pick them up. All trash days and times will remain the same as will holiday pick-ups. The price will remain the same. If you have 2 poly carts with Republic, you will receive 2 poly carts from the City.
